Instalments **MUST** be by Direct Debit

A deposit is payable at the time of enrolment followed by equal monthly instalments, that must be paid via Direct Debit. Please note that the payee (not always the student) will need to complete a Direct Debit mandate.

Loans not approved

For FE courses, the £150 deposit for unapproved loans is refundable once the college has received 3 monthly payments from SLC. The £150 will **not** be refunded if the student fails to obtain a loan or they withdraw before we receive three payments from SLC.

For HE courses, no deposit is required if the student can evidence a loan application/approval. But they must be made aware that they are personally liable for their fees if they fail to obtain a student loan.
